Sub: Ref. letter no Bud.4-33/CUHP/2016/579 dt 31.08.2016 and notification order no 3-3/CUHP/GA/2010?vol.III/1669-76 dt 22 May 2017 regarding payment for consultancy amount under distributable head.

Sir,

Ref. to my case of consultancy payment and further approval of the consultancy rules and its notifications as mentioned above, I am submitting the claim as per consultancy rules approved. I had drawn a salary of Rs 15,82,684/- (Basic + DA+ CCA) in the financial years 2015-2016 and the total amount received as consultancy is in 2015-16 financial years is Rs 9,12,000. So the money in my case will be shared like this as per above mentioned and CUHP rules.

Expenditure on reporting is Rs 1609/- so total amount available for distribution: Rs 910,391.00

- | | |
|---|--|
| 1) Money equivalent to first 30% of the salary i.e. 30% of Annual salary 1572468/- + 10116 = Rs 1582684 | 4,74,805.20 |
| 2) Money received equivalent to next 70% of the salary i.e. 4,35,585.80 | My share 3,04,910.06
University share 1,30,675.74 |
| 3) Money received beyond the salary | NIL |

Thus, out of the amount received on account of above, the teacher's share will be Rs. 474,805.20 + 3,04,910.06 i.e total amount to be paid to Prof A.K. Mahajan is 779,715.00/- and the university share will be 1,30,675.74

If any discrepancy will be found on my behalf I will be ready to refund back the amount if any.

Copy of the JNU rules page no 52-53 and the CUHP consultancy rules copy is attached for ready reference please.

Thanking you,

Yours Faithfully

Subject: Regarding consultancy Project on "Design and Development of Microwave Plasma Chemical Vapor Deposition Reactor".

Dear Sir/Madam,

Based on your expertise and proven capability in the field of microwave technology and synthesis of carbon based materials, we are glad to offer you to work as consultant in our company on the project entitled "Design and Development of Microwave Plasma Chemical Vapor Deposition (MPCVD) Reactor".

We want to develop an indigenous MPCVD reactor applied for the synthesis of carbon materials. The project involves the design, simulation, development and optimization of the MPCVD reactor. For the above mentioned activity, we propose the financial offer as stated below.

1. Your consultancy fee will be Rs. 4, 50,000.00 (four lacs fifty thousand only) for one year from the start of the project.
2. The duration of consultancy work will be for a period of one year from date approved by your university.
3. TA/DA and other contingency expenses will be provided by the company for your visit to Surat.
4. UGC/CSIR/CUHP consultancy rules will be applied in your case.
5. The entire consultancy services will be carried out at our site in Surat.

Kindly let us know your consent through proper channel of your institute/university for the same at your earliest. It is requested your university to share the University Bank details for depositing the consultancy fee in case of acceptance of the offer.

Sincerely Yours,
