VICE-CHANCELLOR'S REPORT

Prof. (Dr.) Sat Prakash Bansal
Vice-Chancellor

It gives me immense pleasure to present 14th Annual Report of the University for the year 2022-23 with great satisfaction. The Central University of Himachal Pradesh (CUHP), currently in its fifteenth year, became functional in 2010. Since, my joining in July, 2021 as the Vice-Chancellor of the university proactive result oriented efforts have been emphasised and executed in time bound manner. Apart from thrust to the academic, co-curricular & extra-curricular activities, the university was able to fulfill its long due dream of construction work of the university's own permanent campus. The university could function from its own campus (es) in the near future.

Currently, the academic activities of the University are being run from Dhauladhar Campuses, Dharamshala, Shahpur Campus and Sapt Sindhu Campus, Dehra mostly in the buildings of the State Government of Himachal Pradesh. The Vice-Chancellor Secretariat and other administrative offices are located in Dharamshala. The University has made arrangements to provide basic facilities like girls & boys hostels and transport to its students.

The university has activated thirty three teaching Departments/Centres across twelve different schools. Three Chairs are also functioning in the university. More than 2400 students are enrolled in various courses viz. Undergraduate (UG), Postgraduate (PG), M.Phil., Research Degree (RD) programmes, PG Diploma Courses and Certificate Programmes. During the year, 165 full-time faculty members (14 Professors, 40 Associate Professors, and 111 Assistant Professors) appointed on a regular basis were in place as on 31.03.2023. The recruitment of vacant positions is under progress.

Conscious of its responsibility to create a culture of academic excellence, the University has been proactively promoting merit, objectivity and transparency in all its decision making processes to enthuse confidence amongst internal as well as external stakeholders. The Act, the Statutes and Ordinances along with the minutes of meetings of all the statutory bodies of the University viz., the University Court, the Executive Council, the Academic Council and the Finance Committee are uploaded on the University Website (www.cuhimachal.ac.in). The University invites the applications for admissions and jobs online. Prospectus and application forms for admission and jobs can be downloaded free of cost and candidates can apply online. The applications for jobs are applied online through common CU-Chayan Portal of the University Grants Commission, whereas applications for admissions are applied through Samarth Portal of CUET. The selection process for teaching and non-teaching positions has been made absolutely transparent as the criteria and parameters of selections including API and other requirements have been widely publicised. The list of applicants along with their scores based on different parameters is published on the website inviting requests from applicants for correction, if any, to minimise errors and omissions. The list of short-listed candidates along with criteria based on which short-listing has been done, are also put in public domain. These are time-consuming processes requiring painstaking efforts but these are being meticulously implemented with the sole objective of promoting merit and winning public confidence in the whole process of recruitment process.

On the academic front, we are committed to make our university a renowned research university of the country. Rigorous efforts have been geared up to remove the obstacles and bottlenecks. The faculty members and research scholars are being encouraged and motivated to do research in the fields, which advances the interests of the country and the society at large. They are being facilitated with various journals & e-resources and equipped with modern infrastructure and laboratories to produce serious and impactful research papers and innovations with more and more patents. The faculty members are inspired more often to apply for fruitful projects. Various institutional and industrial memorandum of understanding (MoUs) are being signed with national & international organisations of repute to this effect for academic exchange and research partnership. Periodic review meetings with the faculty members and research scholars have been done by me to monitor the progress and further the goals of the university.

It was a proud moment for the university when the Visitor of the University **Hon'ble President of India Shri Ram Nath Kovind Ji** graced the **6th Convocation of the university on 10th June, 2022 as Chief Guest** and delivered the Convocation Address.

The university remains the harbinger in the field of National Education Policy (NEP) of India 2020. The university has prepared and published the guidelines for its implementation after numerous workshops and brainstorming sessions of meetings. The academic structure has been modified and restructured accordingly. I am happy to share that with the unswerving efforts of the committed and enthusiastic faculty members, almost of its provisions of the NEP 2020 have been implemented in the university. The university has its curriculum in bilingual i.e. in English and Hindi and reading materials and reference books in Hindi are being made available in a well-planned manner.

Further, the university has been selected once again by the inter-university board of Association of Indian Universities (AIU) to organize All India Inter University Power Lifting (Women) Championship. This prestigious sports event was conducted in the Indoor Stadium of Sports Authority of India in Dharamshala with much fanfare. A total of 150 teams participated in the competition.

The university has been very conscious about improvement in its quality status. Despite infrastructural constraints due to absence of its permanent campuses, the university aspired relentlessly to upgrade the NAAC accreditation in the next cycle. IQAC of the university was strengthened and documentation processes and related various preparations were completed meticulously. I am happy to place on record that the NAAC peer team visited the university in July 2023 and the university was **accredited by NAAC with A+ Grade with CGPA of 3.42**.

This report, in fact, reflects the outcome of efforts made by faculty members and non-teaching employees who worked overtime with unswerving commitment and passion for the development of the University. I would like to record my appreciation for each one of them. I would also like to place on record my appreciation of the UGC and Ministry of Education, all their officers, for extending support and co-operation in the development of the University. I shall be failing in my duty if I do not recognize and appreciate the support and cooperation that the University has received from the State Government and District Officials. Special thanks are also due to all the members of the University Authorities (such as University Court, Executive Council, Academic Council, Finance Committee, School Boards and Board of Studies) for devoting their valuable time for the meetings and also for their guidance and encouragement. Special thanks are also due to all Deans, DSW, Registrar, Controller of Examinations, Proctor, Provost, Librarian, Heads of the Departments/Directors of the Centres, Finance Officer and other officers of the University for their untiring efforts to make this University grow by leaps and bounds.

CURRICULAR FRAMEWORK

ADMISSION BASED ON COMMON UNIVERSITY ENTRANCE TEST (CUET)

The Central University of Himachal Pradesh enrolls students for various UG/PG Programmes except PhD through the Common University Entrance Test (CUET) conducted by National Testing Agency (NTA). A single examination enables the candidates to cover a wide outreach and be part of the admissions process to various Central Universities.

INNOVATIVE PROGRAMMES & CURRICULAR FRAMEWORK

Guided by the National Education Policy 2020 and other reforms agenda in higher education and learning from the experiences of the best universities of the world, the university has introduced a number of innovations, as detailed below:

Semester-based Academic Calendar: All academic programmes of the University – Undergraduate (UG), Post Graduate (PG) and PhD i.e. Research Degrees (RD) - are based on semester system, designed in consonance with global practices in terms of effective number of teaching days and teaching-learning inputs.

Programmes based on Comprehensive Choice Based Credit System: The University has introduced Comprehensive Choice Based Credit System (CCBCS) largely on the lines of the best universities of the world.

Programmes of Study are defined in terms of Credits: As opposed to papers/ courses in the conventional system, a student is required to accumulate:

- 140 UG Credits to earn a UG degree (192 UG Credits in case of BFA degree)
- 80 PG Credits to earn a PG degree (40 PG Credits each in case of B.Lib.I.Sc. (One Year) and M.Lib.I.Sc. (One Year) programmes of study and 96 PG Credits in case of MFA programme of study)
- 120 RD Credits to earn a PhD degree

Students Mobility and Credit Transfer: The University has designed a framework to facilitate credit accumulation by its students from other recognised universities of India and abroad. The University has developed a structured mechanism to work out the equivalence and accept the transfer of credits earned by its students from other universities and also adopted Academic Bank of Credits (ABC) (as per NEP-2020 guidelines) as per the relevant Ordinance of the Central University of Himachal Pradesh.

Innovative Approach in Designing Programmes of Study: Departments would not design Programmes of Study as such; instead, they would just (a) design and offer courses based on the expertise and specialization of their faculty members, (b) specify pre-requisites and co-requisites for each course offered, and (c) guide the students to make their own basket of courses to accumulate the required credits to complete their Programmes of Study. Thus, the focus shall remain on 'learner-centred approach' (as opposed to the conventional 'teacher-centred approach') to accommodate learner's needs and expectations and thereby having wider choices in content, mode and pace of learning.

Computation of Credits based on a Holistic Approach to Learning: In the Central University of Himachal Pradesh, one credit is defined as equivalent to the Total Student's Effort (TSE) of 30 hours comprising: (a) 10 hours of lectures/ organized classroom activity/ contact hours; (b) 5 hours of laboratory work/ practical/field work/tutorials/teacher-led activities; and (c) 15 hours of other workload such as independent individual/ group work; obligatory/ optional work; placement; literature survey/ library work; data collection/ field work; writing of papers/ projects/dissertation/thesis; seminars, etc. Thus, the focus is on in-depth learning driven by intrinsic curiosity and mastery of the subject by balancing the taught content with independently self-directed learning.

All Programmes of Study to be Modular: Thus: All Programmes of Study in the University are designed as modular with exit and lateral entry option. While most students may want to complete their UG/PG/RD without any break, some may opt out of the Programme of Studies mid-way due to compelling personal reasons. The

University, therefore, provides a structured framework for students to opt out mid-programme, whereby, depending on the extent of time spent on campus and credits accumulated by them, they will be awarded certificate / diploma / advanced diploma. For instance, if any student wants to quit studies after two semesters, he/she can do so and would be awarded an appropriate Certificate/Diploma/Advanced Diploma, and can rejoin his/her studies from this point onwards, within two years again. Thus:

A student admitted to UG Programme (except BFA programme) may get:

- Certificate (if opts out after 2 Semesters with 40 UG Credits);
- Diploma (if opts out after 4 Semesters with 80 UG Credits);
- Bachelor's Degree (if stays on to complete full 6/8 semesters with 140/192 UG Credits).

A student admitted to PG Programme (except MFA programme) may be conferred:

- Advanced Diploma (if opts out after 2 semesters with 40 PG credits);
- Master's Degree (if stays on for full 4 semesters with 80 PG credits). In case of B.Lib.I.Sc., (if stays on to complete full 2 semesters with 40 credits). In case of M.Lib.I.Sc., (if stays on to complete full 2 semesters with 40 credits)

All Programmes of Study to be Multi-disciplinary / Inter-disciplinary: While Departments of the University are designed around basic disciplines (to enable faculty members to continue to focus on their specialized areas of research), each Programme of Study of the University is multi-disciplinary as the student is empowered to accumulate required number of credits from a wide variety of courses offered throughout the University including Human Making and Skill Development courses.

a) At PG level, a student would be required to accumulate total 80 PG credits as under (Except B.Lib.I.Sc. (One Year), M.Lib.I.Sc. (One Year) and MFA programme):

Course Type		Credits required
Core courses	Compulsory	40
	Open	12
Elective courses	Specialisation	16
	Open	4
Foundation courses	Human making	4
	Skill development	4
Total credit requirements		80

b) At UG level, a student would be required to accumulate total 140 UG credits as under (Except BFA):

Course Type		Credits required
Core courses	Compulsory	72
	Open	12
Elective courses	Specialisation	12
	Open	12
Foundation courses	Human making	6
	Skill development	6
	Project work / Dissertation	20
Total credit requirements as per UGC guidelines		140

All Programmes to be based on Comprehensive Continuous Internal Assessment: Students in all Programmes of Study across disciplines and at all levels shall be assessed through comprehensive continuous internal assessment based on quizzes, assignments, independent works, group works, mid-terms and end-semester examination.

As a general principle, the Comprehensive Continuous Internal Assessment shall comprise the following components:

- Continuous Internal Assessment: 25%
- Mid Term Examination: 25%
- End Term Examination: 50%

All Programmes of Study to have Grading System: The University shall have grading system based on Ten point scale of evaluation of the performances of students in terms of Marks, Grade points, Letter grade and Description of letter grades. The total performance of a student within a semester and continuous performance from the second semester onwards shall be indicated by (a) Semester Grade Point Average (SGPA); (b) Semester Percentage Marks (SPM); (c) Cumulative Grade Point Average (CGPA); and (d) Overall Percentage Marks (OPM), with CGPA & OPM being the real indicators of a student's performance.

Innovative Research Degree Programmes: The University has rigorous full-time Research Degree (RD) Programmes that aim at honing the research skills, grooming teaching abilities, producing quality research publications and proactive participation in seminars and conferences. Accordingly, the award of RD requires a student to accumulate credits through course work, participation in academic/administrative tasks, published work, presentations, pre-synopsis submission and Pre-PhD Thesis submission and PhD thesis.

- a) As per modified ordinance 42 (approved by E.C. vide item no. 52.19), for successful completion of the RD Programme leading to the award of the PhD degree, the computation of credits shall be as under:

Sr. No.	Particular of Task/Activity	Credits Allocated
1.	PhD Coursework	18-22 Credits
2.	Participation in Academic / Examination / Co-Academic / Administrative Tasks assigned by Deptt / School	10 Credits
3.	Publication of Research Papers in at least peer-reviewed journals	12 Credits
4.	Presentations in at least national level Seminars/ Conferences / Workshops	10 Credits
5.	Pre-Synopsis submission and Pre-PhD Thesis Submission Presentation in Open Seminar before DRC	10 Credits
6.	PhD Thesis	60 Credits
Total Credits		120 – 124 Credits

A candidate admitted to the Research Degree (RD) Programme is required to complete the prescribed course work in the first two Semesters of her/his admission. Notwithstanding the maximum prescribed duration of the Research Degree Programme, if a candidate fails to complete the prescribed course work in two semesters, her/his admission shall be cancelled and her/his name shall be removed from the rolls of the University. Provided further that no candidate admitted to the Research Degree Programme shall be permitted to proceed with the Dissertation work until he/she completes the prescribed course work.

- b) In case a candidate admitted to the Research Degree Programme holds MPhil degree from this University or other Universities, the Credit requirements for course work and publication may be adjusted accordingly. Such candidates will, however, be required to complete the full 60 RD Credits for dissertation work along with the balance of the credits for the course work, publication work, participation in academic/administrative tasks, Presentations in at least national level Seminars/ Conferences / Workshops, Pre-Synopsis submission and Pre-PhD Thesis Submission.

ENROLLMENT OF STUDENTS, FACULTY & STAFF

Despite the fact that the University commenced its operation with limited physical facilities and infrastructure, it was able to attract large number of applications for most of its Programmes of Study. While granting admission to students, the University has followed the reservation policy of the GOI in all its Programmes of Study. The University has a total of 2473 students on its rolls as on 31.03.2023. It has adopted the guidelines of the University Grants Commission and the Ministry of Education for giving reservation to the SC/ST/OBC/EWS/PWDs. The programme-wise and category-wise position of the student enrolment during the years 2019-20 to 2022-2023 is given in **Table 4, 5, 6, 7, 8 & 9.**
