MESSAGE FROM THE VICE CHANCELLOR

Prof. Sat Parkash Bansal
Vice-Chancellor

Dear Students,

Envisioning the goal of nation building, CUHP aims to provide inclusive access to multidisciplinary higher education for all sections of the society with a focus on quality, excellence and relevance by imparting Knowledge, Skills and Values to the students as to produce knowledgeable and good citizens for the country. Our vision is to be recognised as a 'Research University' with greater emphasis on creation of knowledge and revival of Indian Traditional Knowledge and Practices. It gives me immense

pleasure to invite you to this premier institution of higher learning situated in the lap of Dev Bhumi Himachal.

Since its establishment the university has achieved many milestones in teaching, research and extension activities with the diligent and sincere efforts of the faculty members, officers, non-teaching staff and the students. A perfect blending of core academic to co-academic and social extension activities ensure the holistic grooming of the students' personality. We offer multifarious interdisciplinary courses to the students in order to promote multidisciplinary learning.

CUHP is among the leading universities in implementing the National Education Policy (NEP) of the Government of India. CUHP is on the way to implementing 4 - years UG and 1- year PG programmes and multiple entry & exit systems through the registration of the students on academic bank of credit (ABC) portal. We have been given a key role as a nodal institute to facilitate the implementation of National Education Policy 2020 (NEP) in the north zone of the country.

CUHP has always been proactive in implementing Policies of the Government of India through a number of activities such as sanitation drives, plantation drives, vigilance week, health and hygiene and Yoga based programmes and for this we have adopted many villages under the 'Unnat Bharat Abhiyan'. A special guidance cell has been established to facilitate the Divyang students and other stakeholders of the university and with the efforts of this cell the infrastructure has been modified in accordance with the needs of Divyang students. In addition, construction of our permanent campus is in full swing.

We have been graced with the presence of many eminent personalities during our convocation ceremonies, Shri Ram Nath Kovind Ji, the then Hon'ble President of India has delivered his convocation address in the year 2022. Last year we successfully organised the All India Inter-university Men's Kho-Kho and Women Netball Championship under the joint collaboration of CUHP and Association of Indian University (AIU), New Delhi. In the current year, All India Women's Powerlifting Championship has also been scheduled. The CUHP has also been selected as one of the institutes for organising International Yoga Day-2022. The Union Minister for Education and Skill Development, Shri Dharmendra Pradhan attended this celebration organised at Kangra Fort, one of the iconic sites selected by Government of India IYD-2022.

To expedite the academia, industry and foreign collaboration CUHP, has signed a number of MOUs with premier institutions like MOU with Pennsylvania University, ISRO, ARIES, etc. Organising alumni meet, alumni interactions and alumni lectures is a regular practice.

I hope that the Admission Prospectus (2023-24) will provide you with all the details that you need to make your preference for CUHP, as a rationale and right choice for your career building.

I extend my best wishes for your future endeavours!

Prof. (Dr.) Sat Prakash Bansal

ABOUT THE UNIVERSITY

GENESIS

The Prime Minister, in his address to the nation on August 15, 2007, announced the establishment of a Central University in each of the states that did not have a Central University thus far. Subsequently, 11th Plan provided for the establishment of 16 new Central Universities. Accordingly, the Central Universities Act 2009 (No. 25 of 2009) which received Presidential assent on 20th March 2009 provided for the establishment of Central University of Himachal Pradesh amongst others.

ESTABLISHMENT OF THE UNIVERSITY

The Central University of Himachal Pradesh has been established under the Central Universities Act 2009 (No. 25 of 2009) enacted by the Parliament. The University is funded and regulated by the University Grants Commission (UGC). The University became functional with the assumption of charge by the first Vice Chancellor on 20th January 2010.

VISION OF THE UNIVERSITY

While the development of infrastructure of the university may take a while, it has an ambitious Vision Document prepared in consultation with eminent experts in the field of education. The Vision Document and Strategic Plan of the university as approved by the statutory authorities of the university, and are available on the website of the university (www.cuhimachal.ac.in).

Accordingly, in times to come, the university will grow to have purpose-built, state-of-the-art campus that will have 15 Schools of Study with nearly 03 Colleges, 62 Departments and about 81 Centres (as per amended statute 40).

LOCATION AND HEADQUARTERS

The Headquarters of the university is located at Dharamshala, District Kangra, Himachal

Pradesh. Presently, the university has the following three campuses:

- (i) Sapt-Sindhu Parisar, Dehra, District Kangra (HP)
- (ii) Dhauladhar Parisar, Dharamshala, District Kangra (HP)
- (iii) Shahpur Campus, Shahpur, District Kangra (HP)

VICE-CHANCELLOR'S OFFICE

The Vice-Chancellor's Office, which presently serves as the headquarters of the university is located at Dharamshala (Near International Cricket Stadium), Dharamshala, District Kangra (HP).

HALLS OF RESIDENCE (HOSTELS)

The university at present has the following three hostels at Dharamshala, Kangra and Dehra.

- (i) Mehar Chand Mahajan Men's Hostel, Kangra
- (ii) Sharda Women's Hostel, Dharamshala
- (iii) Maa Pitambara Women's Hostel, Dehra

Note: No Men's hostel facility is currently available at Dehra campus.

The **Men's Hostel at Kangra** accommodates about 110 students in two/three-bedded rooms, and has a kitchen and a dining hall. The hostel mess is run on cooperative basis by the residents under the supervision of the Warden/Provost. All students who wish to opt for hostel accommodation have to join the cooperative mess and make arrangement for transport on their own. However, the University has made available transport facility to the residents and other students commuting from Kangra and nearby areas to Dharamshala Campus and Shahpur Campus at Shahpur by charging a token bus coupon fee of Rs. 500 per month.

The **Women's Hostel at Dharamshala** accommodates about 60 girl students. All students who wish to opt for hostel accommodation have to mandatorily join the

hostel mess. The university has made available transport facility to the residents of the hostel to commute between the hostel and the Shahpur Campus at Shahpur. However, to avail transport facility, students have to pay a token bus coupon fee of Rs. 500 per month.

The university has **Women's Hostel at Dehra**, which accommodates about 50 girl students.

ACCESSIBILITY & CONNECTIVITY

The University is well-connected through air, road & rail networks. The nearest airport is at Gaggal, Dharamshala. The nearest two railway stations are at Pathankot and Amb Andaura.

IMPLEMENTATION OF NEP 2020

The Central University of Himachal Pradesh, with focus on being a Research-Intensive University for Advanced Researches in various disciplines, had adopted National Education Policy 2020 from the academic year 2021-22. Multiple Entry and Exit systems at various stages were implemented in the university in Bachelor's Degree Programme from the academic session 2022-23. To stay in sync with the national level institutions, the University will follow the guidelines of multiple entry and exit in academic programmes issued by UGC on July 29, 2021.

MASTER'S DEGREE PROGRAMME

The University offers 2 Years Master's Degree Programmes with possibility of multiple entry and exit from the academic session 2021-22 in line with the recommendations of National Education Policy 2020. The 2nd year would be entirely devoted to research only as the student may go directly for PhD programme after completion of this course.

The total number of credits will be a maximum of 20 in each semester, and it will be followed strictly. A large component of IKS and Vocational/ Skill Courses will be offered at the Master's Degree level. All courses are conducted in blended mode i.e., 80% offline and 20% online compulsorily in Master's Degree Programmes.

Two courses on the Indian Knowledge System (IKS) will be introduced in the 1st semester and 2nd semester respectively. In the 1st semester, the course will be uniform for all the Master's Degree Programmes in the University. The second course on Indian Knowledge System (IKS) to be offered in 2nd semester is designed by the Department concerned. Both IKS courses are of 2 credits each. The codes for these courses will be assigned by the respective Departments/Centers.

Course basket of interdisciplinary major and minor courses of 4/2 credits is prepared at the university level, for which the departments/centers submit a course basket. The course basket is clubbed at the university level. The students have to take at least one course of their choice from this basket. The hybrid learning model is used during the classroom teaching, so that the students at distant places may also attend the class in real time.

All the Departments/Centers of the university offer Value Added Courses (VAC) of 20 credits apart from their discipline-specific courses. The value-added course may be offered by the Department/Center either independently or in collaboration with other Departments/Centers. These courses are offered in a blended mode where anyone having a minimum School leaving certificate obtained after the successful completion of Grade 12 in any discipline can be enrolled. These courses are also available for the students who are pursuing their Master's Degree in CUHP. For this enrolment, the student has to pay the fee, as decided by the University. The modalities of the value-added course are also decided by the University. The students have the option to complete this value-added course within 3 Years from the date of enrolment in the course. After successful completion of the said Value-Added Course, the student will be awarded a Certificate by the University. This certificate may be of 10 credits (for three months) or 20 credits (for six months), which the student has to earn during the stipulated time period. Vocational Courses being offered by one Department/Center may be considered as Value-Added Courses for the students of other Departments.

For disciplinary major and minor courses of 4/2 credits, the Department/Center offer a course basket from where the students may select the course of their choice. The total courses of any Programme will have the weightage in the range of 50% to 60% for theory and 40% to 50% for practice.

BACHELOR'S DEGREE PROGRAMME

The Bachelor's Degree Programme is of 04 years with Research / Honours. As envisaged under NEP 2020, the Central University of Himachal Pradesh has already adopted and started four years B.Sc. Physics Honours from the academic session 2021-22. As per the UGC Guidelines for multiple entry and exit in Academic Programmes offered in Higher Education Institutions, after completing the requirements of a three-year Bachelor's Degree, candidates who secure a minimum CGPA of 7.5 shall be allowed to continue studies in the fourth year of the undergraduate programme to pursue and complete the Bachelor's Degree with Research/Honours.

After successful completion of the 6th semester, these students have the option to pursue a Degree with Research or a Degree with Honours. Those students who do not have 7.5 CGPA up to the 6th semester will be awarded Bachelor's Degree as they will have to exit the Bachelor's Degree Programme after completing the 6th semester. The university offer 4 Years' Bachelor's Degree and 01 Year PG Programmes from the academic session 2025-2026, in line with the recommendations of National Education Policy – 2020.

It is expected that the first batch of UG with research/honours will pass in the year 2024- 2025. Therefore, 2 years' PG programme will continue and from 2025-2026, One-Year PG programme will commence. From the session 2025- 2026, both the programmes i.e. One Year PG Programme and Two Years PG Programme will be offered.

The total number of credits will be a maximum of 20 in each semester, and it will be followed strictly. The students from 1st, 3rd and 6th semester respectively have to compulsorily opt for two credits interdisciplinary courses, such that they remain different and distinct from the programme which s/he is enrolled in.

A large component of IKS, Vocational/ Skill Courses, Swachh Bharat Internship, Community Connect, Lok Vidya, Yoga, Indian Languages, Cultural Exchange, i.e., National Integration, Environmental Studies, and Life Skills, etc. are offered at Bachelor's Degree level.

Multiple Entry and Exit System at various stages require the modifications in the entire existing course curriculum in Bachelor's and Master's Degree Programmes to incorporate IKS, increase the ability and skills and sensitization towards environment among students.

All courses will be conducted in blended mode, i.e., 90% offline and 10% online compulsorily in Bachelor's Degree Programmes. Two courses on the Indian Knowledge System (IKS) are being introduced in the 1st semester and 6th semester, respectively. In the 1st semester, the courses are uniform for all the Bachelor's Degree Programmes in the University, and are of 4 credits. The other course on Indian Knowledge System (Subject Specific IKS) to be offered in the 6th Semester, is designed by the department concerned, and is of 2 credits. Under IKS, another course of 2 credits on Yoga Studies is offered in the same semester.

Community Connect courses, i.e., 4 Credits for Community Services, Awareness Creation, and Life Skills in the 3rd Semester and 2 Credits for Lok Vidya in the 5th Semester are introduced to the

students. They visit the villages and work with the community for enhancing their life skills, quality to serve people, awareness towards various issues like sanitization, health, digital literacy, financial literacy, welfare schemes of the Government, etc.

The students will go to the villages adopted by the University under Unnat Bharat Abhiyaan (UBA) for a community connect course. If required, other villages/areas for Community Connect Programme will be selected by the concerned Department/Center as per their requirements.

Course on Environmental Studies are introduced in all Bachelors' Programmes. The hybrid learning model is adopted by the university, and the teachers may use this model during their classroom teaching so that the students at distant places may also attend the class in real-time. The Departments/Centers of the university should develop at least one course in a semester as OER in which introductory video, course content on ppt and/or pdf, quizzes, and assignments should be included. It promotes flipped learning also.

All the Departments/Centers of the university offer Value Added Courses (VAC) of 20 credits apart from their discipline-specific courses. The value-added course may be offered by the Department/Center either independently or in collaboration with other Departments/Centers. These courses are offered in a blended mode where anyone having a minimum School leaving certificate obtained after the successful completion of Grade 12 in any discipline can be enrolled. These courses are also available for the students who are pursuing their Bachelor's Degree in CUHP. For this enrolment, the student has to pay the fee, as decided by the University. The modalities of the value-added course are also decided by the University. The students have the option to complete this value-added course within 3 Years from the date of enrolment in the course. After successful completion of the said Value-Added Course, the student will be awarded a Certificate by the University. This certificate may be of 10 credits (for three months) or 20 credits (for six months), which the student has to earn during the stipulated time period. Vocational Courses being offered by one Department/Centre may be considered as Value-Added Courses for the students of other Departments.

Course basket of interdisciplinary major and minor courses of 4/2 credits is prepared at the university level, for which the departments/centres submit a course basket. The course basket is clubbed at the university level. The students have to take at least one course of their choice from this basket. The hybrid learning model (online and/or face-to-face) will be used for these courses. The number of students in all such courses can be a maximum of 40 on the basis of first-come, first-serve. The students are expected to take at least one major/minor interdisciplinary course from other disciplines compulsorily.

For disciplinary major and minor courses of 4/2 credits, the Department/Center offer a course basket from where the students may select the course of their choice. The total courses of any Programme will have the weightage in the range of 50% to 60% for theory and 40% to 50% for practice.

RESEARCH & DEVELOPMENT CELL

The National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education system to enhance quality education, research, innovation and technology development.

The main purpose of this Research and Development Cell in the Central University of Himachal Pradesh is to create an organizational structure with role-based functions of RDC, to formulate research policy for the promotion of research in the university, to identify thrust area of research, and to form cluster groups/frontline teams and consortia for the researchers.

The university has already formulated a research policy for the promotion of research and innovation with a focus to take the benefits of the research and development outcomes to stakeholders and public at large.

Vision

To put in place a robust mechanism for developing and strengthening the research ecosystem within HEIs, aligned with the provisions of NEP-2020.

Mission

- To create a conducive environment for enhanced research productivity.
- To encourage collaboration across industry, government, community-based organizations, and agencies at the local, national, and international levels.
- To facilitate greater access to research through mobilization of resources and funding.

Objectives

- To create an organizational structure with role-based functions of RDC, formulate Research Policy for the HEIs, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers.
- To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
- To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
- To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
- To have better coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
- To develop an Institutional Research Information System for sharing the status of ongoing/completed research projects / Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
- To engage & utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
- To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.

The Research & Development Cell of Central University of Himachal Pradesh will encourage the faculty members and scholars to attend conferences, seminars, workshops, faculty development programmes organized by reputed national and international scientific, academic, research and professional institutions and bodies.

The Cell has created a Centre for Research under which Ph.Ds. programmes are offered. The admissions process is being conducted by the R&D cell in coordination with the office of the Controller of Examinations for all the Departments of the University.

Director, Research & Development Cell: Prof. Sunil Kumar, Head, Department of Animal Science.

Students of the university proactively participate in a variety of activities leading to social awareness. These include poster competition, awareness programmes, sensitisation on social, health and sanitation issues, organising declamations, debates, discussions, etc. In order to promote awareness among the students and local community, the university has formed the Red Ribbon Club in collaboration with HP State AIDS Control Society.

NATIONAL SERVICE SCHEME (NSS)

NSS is a voluntary association and body comprised of young students and volunteers in colleges and universities. The broad ambition of NSS is to provide the much needed services to society without any profit or bias. Its objective is to inculcate concepts of social welfare and to induce the skills of professional social work among students. The major emphasis of NSS as an association is to make out constructive use of community resources and thereby making the members of the community responsible and empowered.

At present six units of Govt. funded National Service Scheme (NSS) has been allocated to the University by state NSS Cell, Department of Youth and Sports, Govt. of Himachal Pradesh with enrolment of one hundred volunteers in each unit. Dr. Ashish Nag, Associate Professor, Department of Travel & Tourism has been appointed Co-ordinator of this program and six other teachers are also appointed as programme officers (One Program Officer for each unit) to fulfil the main objective of this program. Presently 400 students are enrolled in all six units of NSS. These all units are engaged in regular as well as special camp activities in and around the university, as envisaged under the spirit of the scheme. Enrolment is done/ ensured simultaneously during the month scheduled for general admission.

The volunteers offering their services in NSS strives towards working for the cause for providing help in condition of emergencies such as natural and man-made disasters. The intervention includes the set of activities like supplying of basic necessities and amenities like food and clothing to the disaster victims, organizing blood donation camps, taking activities of environmental conservation for saving Mother Earth, Tree Plantation Drives for the sake of protection of environment, road safety awareness campaigns to sensitize the audience for prevention of road accidents, initiating One Act Plays and street plays.

NSS Special Camps are also organized by the university with an ambition to sensitize the volunteers contributing for the cause of NSS with inculcating the topics ranging from tackling and managing of resources, inducing a much needed sense of Social Responsibility among community members and volunteers, field based learning. All volunteers will learn and empower themselves and thereby make their positive and progressive contributions for the growth of our country.

FIELD WORK AND COMMUNITY OUTREACH

In order to promote social values, skills and sensitivity towards community-related issues among students as well as extending university's outreach to the community, the academic curricula of different programmes of study has inbuilt component of field work and community-oriented activities. The field work activities are to be carried out by the students in the community and villages located nearby to the university campuses. The local habitations and villages act as a community laboratory for the students where they are assigned with specific number of households to interact and work with. The students are required to collect and analyse data, prepare reports, identify intervention strategies and suggest / work with the community towards their socio-cultural, educational and economic development and thus, get enriched with real-life experiences during the course of these community lab-based activities.

COACHING CENTRE

The Central University of Himachal Pradesh has set up a Coaching Centre for its students with the main objective of coaching and skill enhancement for various competitive exams. The coaching classes run in a hybrid mode and the faculty members contribute to the said coaching according to their expertise. Moreover, the centre will provide support for the students for job interviews. Through this initiative, students will get an opportunity to prepare better for various eligibility tests such as NET/SET/GATE, etc., which are the basic requirements for securing academic and research positions in present times. Students from rural backgrounds will also get an opportunity to polish their academic and professional skills, as they sometimes face difficulty expressing themselves effectively despite their knowledge of the subjects.

The university has appointed following faculty members as Coordinator & Co-coordinators to look after the tasks of the Coaching Centre of the university:

Sl. No.	Name of Faculty Members & Designation	Campus
1.	Prof. Rakesh Kumar, Department of Mathematics	Coordinator (All campuses)
2.	Dr. Surender Verma, Assistant Professor, Department of Physics & Astronomical Sciences	Co-coordinator (Shahpur Campus)
3.	Dr. Chaman Lal, Assistant Professor, HPKV Business School	Co-coordinator (Dhauladhar Campus I & II)
4.	Dr. Chanderdeep Singh, Associate Professor, Department of History	Co-coordinator (Sapt Sindhu Campus, Dehra)

DR. AMBEDKAR CENTRE OF EXCELLENCE (DACE)

The Ministry of Social Justice and Empowerment, Government of India has signed the MoU with the Central University of Himachal Pradesh, Dharamshala for the establishment of the Dr. Ambedkar Centre of Excellence (DACE) in 2022. The scheme's main objective is to empower the Scheduled Caste students by providing specialized coaching for the Civil Services examination (Prelims and Mains) conducted by the UPSC. The University has appointed Prof. (Dr.) Pardeep Kumar, Dean of Academics, as Programme Coordinator of the DACE. The Centre was inaugurated by Hon'ble Member of Parliament (Rajya Shaba) Ms. Indu Goswami and Hon'ble Vice-chancellor of the University Prof. Sat Parkash Bansal on 6th October 2022.

Prof. Sat Parkash Bansal, HVC, CUHP, Ms. Indu Goswami, Hon'ble MP(Rajya Sabha) & Prof. Pardeep Kumar, Nodal Officer, DACE, CUHP during inaugural ceremony of Dr. Ambedkar Centre of Excellence (DACE)

The admission of the students in this Centre is done through an entrance exam conducted by the University. At present, a total of 98 students have been enrolled in the Centre under this scheme in session 2022-2023. The students are being provided coaching since 1st Oct. 2022. Three highly qualified faculty members are engaged for providing subject-specific coaching (History, Geography and Science) and other experts in different subjects from the University are also being engaged to provide UPSC examination-related coaching. To acquire competitive skills and personality development of the students the Centre is conducting various extra-curricular activities such as sports and yoga. To maintain their high energy level the Centre is organizing various sessions of motivational movies and educational trips. For the holistic development of students, the Centre is arranging sessions of interaction with administrative officers and renowned academicians/personalities.
