MESSAGE FROM THE VICE CHANCELLOR

Prof. Sat Parkash Bansal
Vice-Chancellor

Dear Students,

Heartiest congratulations for choosing the Central University of Himachal Pradesh for pursuing higher education. It is a matter of profound delight to share with you that this premier institute of learning in the country has been accredited by NAAC with A⁺ grade in its visit in July 2023. This is the result of tireless efforts made by the university team, faculty members, non-teaching staff, researchers

and students. Moreover, the location of the university in the lap of majestic and snow-capped Dhauladhar mountain ranges enhances its aesthetic delight and proves of immense health and intellectual wealth for the learners.

It is a matter of extreme glee to further inform you that the Central University of Himachal Pradesh has been granted the status of 'graded autonomy' by the UGC. It now figures in eight such institutions of the nation which have been accorded such a distinction by the apex body. It is a new initiative to foster a spirit of competition among the institutions of higher learning and it is given to those universities/colleges/institutions which perform higher and better than other institutions.

In 2021, the Central University of Himachal Pradesh became the first university in the country to implement 50 percent NEP guidelines and now it has been fully operational across all disciplines. With a special thrust on Indian Knowledge System, two courses in the first two semesters are fully devoted to this to orient students towards Indian ethos and cultural moorings. This initiative is really making students bask in the glory of ancient Indian wisdom and instilling in them a sense of immense pride. Most of the courses being offered are multi-disciplinary in nature which really equips the students with the necessary knowledge required in the contemporary times. Apart from it, various skill based courses are also offered to students, keeping in view the emerging opportunities in the employment sector at both local and global levels.

The university takes utmost care to ensure academic, physical and personal growth of the students by organizing many academic and extra-curricular activities. In the last three years, the varsity has organized three national sports competitions for both men and women in which a huge participation from universities across the nation has been seen. Hence, you will have exposure and

opportunities to not only witness such events of national importance but also to participate and perform in the same.

In the last four years, our university has also been entrusted with the responsibility to organize and ensure the inter-state visits of the students under the student-exchange programme. As a part of Ek Bharat Shrestha Bharat initiative, it aims to enhance a healthy dialogue, interaction and promote understanding between people of different states/UTs in terms of their regional and cultural values and practices. It is in this connection that the students from the Central University of Himachal Pradesh (CUHP) visited Central University of Kerala (CUK) and CUK students visited CUHP in February-March 2020; similarly in February-March 2024, a groups of fifty students visited Orissa and thereafter the same number of students visited the Central University of Himachal Pradesh to appreciate more about the local culture, language and art forms of the paired state.

The Admission Prospectus (2024-25) provides all the details about the programmes, courses offered, faculty, infrastructural facilities, fee structure, achievements of the university, admission process etc. Once again, I welcome you to this university and assure that your stay here will be highly rewarding in terms of quality education, better learning opportunities, skills, and personal and physical growth. My warm wishes for your fruitful years ahead at CUHP !

Prof. (Dr.) Sat Prakash Bansal

ABOUT THE UNIVERSITY

GENESIS

The Prime Minister, in his address to the nation on August 15, 2007, announced the establishment of a Central University in each of the states that did not have a Central University thus far. Subsequently, 11th Plan provided for the establishment of 16 new Central Universities. Accordingly, the Central Universities Act 2009 (No. 25 of 2009) which received Presidential assent on 20th March 2009 provided for the establishment of Central University of Himachal Pradesh amongst others.

ESTABLISHMENT OF THE UNIVERSITY

The Central University of Himachal Pradesh has been established under the Central Universities Act 2009 (No. 25 of 2009) enacted by the Parliament. The University is funded and regulated by the University Grants Commission (UGC). The University became functional with the assumption of charge by the first Vice Chancellor on 20th January 2010.

VISION OF THE UNIVERSITY

While the development of infrastructure of the university may take a while, it has an ambitious Vision Document prepared in consultation with eminent experts in the field of education. The Vision Document and Strategic Plan of the university as approved by the statutory authorities of the university, and are available on the website of the university (www.cuhimachal.ac.in).

Accordingly, in times to come, the university will grow to have purpose-built, state-of-the-art campus that will have 15 Schools of Study with nearly 03 Colleges, 62 Departments and about 81 Centres (as per amended statute 40).

LOCATION AND HEADQUARTERS

The Headquarters of the university is located at Dharamshala, District Kangra, Himachal Pradesh. Presently, the university has the following three campuses:

- (i) Sapt-Sindhu Campus, Dehra, District Kangra (HP)
- (ii) Dhauladhar Campus, Dharamshala, District Kangra (HP)
- (iii) Shahpur Campus, Shahpur, District Kangra (HP)

VICE-CHANCELLOR'S OFFICE

The Vice-Chancellor's Office, which presently serves as the headquarters of the university is located at Dharamshala (Near International Cricket Stadium), Dharamshala, District Kangra (HP).

HALLS OF RESIDENCE (HOSTELS)

The university at present has the following three hostels at Dharamshala, Kangra and Dehra.

- (i) Mehar Chand Mahajan Men's Hostel, Kangra
- (ii) Sharda Women's Hostel, Dharamshala
- (iii) Maa Pitambara Women's Hostel, Dehra

Note: No Men's hostel facility is currently available at Dehra campus.

The **Men's Hostel at Kangra** accommodates about 110 students in two/three-bedded rooms, and has a kitchen and a dining hall. The hostel mess is run on cooperative basis by the residents under the supervision of the Warden/Provost. All students who wish to opt for hostel accommodation have to join the cooperative mess and make arrangement for transport on their own. However, the University has made available transport facility to the residents and other students commuting from Kangra and nearby areas to Dharamshala Campus and Shahpur Campus at Shahpur by charging a token bus coupon fee of Rs. 500 per month.

The **Women's Hostel at Dharamshala** accommodates about 60 girl students. All students who wish to opt for hostel accommodation have to mandatorily join the hostel mess. The university has made available transport facility to the residents of the hostel to commute between the hostel and the Shahpur Campus at Shahpur. However, to avail transport facility, students

have to pay a token bus coupon fee of Rs. 500 per month.

The university has **Women's Hostel at Dehra**, which accommodates about 50 girl students.

ACCESSIBILITY & CONNECTIVITY

The University is well-connected through air, road & rail networks. The nearest airport is at Gaggal, Dharamshala. The nearest two railway stations are at Pathankot and Amb Andaura.

IMPLEMENTATION OF NEP 2020

The Central University of Himachal Pradesh, with focus on being a Research-Intensive University for Advanced Researches in various disciplines, had adopted National Education Policy 2020 from the academic year 2021-22. Multiple Entry and Exit systems at various stages were implemented in the university in Bachelor's Degree Programme from the academic session 2022-23. To stay in sync with the national level institutions, the University will follow the guidelines of multiple entry and exit in academic programmes issued by UGC on July 29, 2021.

MASTER'S DEGREE PROGRAMME

The University offers 2 Years Master's Degree Programmes with possibility of multiple entry and exit from the academic session 2021-22 in line with the recommendations of National Education Policy 2020. The 2nd year would be entirely devoted to research only as the student may go directly for PhD programme after completion of this course.

The total number of credits will be a maximum of 20 in each semester, and it will be followed strictly. A large component of IKS and Vocational/ Skill Courses will be offered at the Master's Degree level. All courses are conducted in blended mode i.e., 80% offline and 20% online compulsorily in Master's Degree Programmes.

Two courses on the Indian Knowledge System (IKS) will be introduced in the 1st semester and 2nd semester respectively. In the 1st semester, the course will be uniform for all the Master's Degree Programmes in the University. The second course on Indian Knowledge System (IKS) to be offered in 2nd semester is designed by the Department concerned. Both IKS courses are of 2 credits each. The codes for these courses will be assigned by the respective Departments/Centers.

Course basket of interdisciplinary major and minor courses of 4/2 credits is prepared at the university level, for which the departments/centers submit a course basket. The course basket is clubbed at the university level. The students have to take at least one course of their choice from this basket. The hybrid learning model is used during the classroom teaching, so that the students at distant places may also attend the class in real time.

All the Departments/Centers of the university offer Value Added Courses (VAC) of 20 credits apart from their discipline-specific courses. The value-added course may be offered by the Department/Center either independently or in collaboration with other Departments/Centers. These courses are offered in a blended mode where anyone having a minimum School leaving certificate obtained after the successful completion of Grade 12 in any discipline can be enrolled. These courses are also available for the students who are pursuing their Master's Degree in CUHP. For this enrolment, the student has to pay the fee, as decided by the University. The modalities of the value-added course are also decided by the University. The students have the option to complete this value-added course within 3 Years from the date of enrolment in the course. After successful completion of the said Value-Added Course, the student will be awarded a Certificate by the University. This certificate may be of 10 credits (for three months) or 20 credits (for six months), which the student has to earn during the stipulated time period.

Vocational Courses being offered by one Department/Center may be considered as Value-Added Courses for the students of other Departments.

For disciplinary major and minor courses of 4/2 credits, the Department/Center offer a course basket from where the students may select the course of their choice. The total courses of any Programme will have the weightage in the range of 50% to 60% for theory and 40% to 50% for practice.

BACHELOR'S DEGREE PROGRAMME

The Bachelor's Degree Programme is of 04 years with Research / Honours as envisaged under NEP 2020, the Central University of Himachal Pradesh has already adopted and started four years B.Sc. Physics Honours from the academic session 2021-22. As per the UGC Guidelines for multiple entry and exit in Academic Programmes offered in Higher Education Institutions, after completing the requirements of a three-year Bachelor's Degree, candidates who secure a minimum CGPA of 7.5 shall be allowed to continue studies in the fourth year of the undergraduate programme to pursue and complete the Bachelor's Degree with Research/Honours.

After successful completion of the 6th semester, these students have the option to pursue a Degree with Research or a Degree with Honours. Those students who do not have 7.5 CGPA up to the 6th semester will be awarded Bachelor's Degree as they will have to exit the Bachelor's Degree Programme after completing the 6th semester. The university offer 4 Years' Bachelor's Degree and 01 Year PG Programmes from the academic session 2025–2026, in line with the recommendations of National Education Policy – 2020.

It is expected that the first batch of UG with research/honours will pass in the year 2024- 2025. Therefore, 2 years' PG programme will continue and from 2025-2026, One-Year PG programme will commence. From the session 2025- 2026, both the programmes i.e. One Year PG Programme and Two Years PG Programme will be offered.

The total number of credits will be a maximum of 20 in each semester, and it will be followed strictly. The students from 1st, 3rd and 6th semester respectively have to compulsorily opt for two credits interdisciplinary courses, such that they remain different and distinct from the programme which s/he is enrolled in.

A large component of IKS, Vocational/ Skill Courses, Swachh Bharat Internship, Community Connect, Lok Vidya, Yoga, Indian Languages, Cultural Exchange, i.e., National Integration, Environmental Studies, and Life Skills, etc. are offered at Bachelor's Degree level.

Multiple Entry and Exit System at various stages require the modifications in the entire existing course curriculum in Bachelor's and Master's Degree Programmes to incorporate IKS, increase the ability and skills and sensitization towards environment among students.

All courses will be conducted in blended mode, i.e., 90% offline and 10% online compulsorily in Bachelor's Degree Programmes. Two courses on the Indian Knowledge System (IKS) are being introduced in the 1st semester and 6th semester, respectively. In the 1st semester, the courses are uniform for all the Bachelor's Degree Programmes in the University, and are of 4 credits. The other course on Indian Knowledge System (Subject Specific IKS) to be offered in the 6th

Semester, is designed by the department concerned, and is of 2 credits. Under IKS, another course of 2 credits on Yoga Studies is offered in the same semester.

Community Connect courses, i.e., 4 Credits for Community Services, Awareness Creation, and Life Skills in the 3rd Semester and 2 Credits for Lok Vidya in the 5th Semester are introduced to the students. They visit the villages and work with the community for enhancing their life skills, quality to serve people, awareness towards various issues like sanitization, health, digital literacy, financial literacy, welfare schemes of the Government, etc.

The students will go to the villages adopted by the University under Unnat Bharat Abhiyaan (UBA) for a community connect course. If required, other villages/areas for Community Connect Programme will be selected by the concerned Department/Center as per their requirements.

Course on Environmental Studies are introduced in all Bachelors' Programmes. The hybrid learning model is adopted by the university, and the teachers may use this model during their classroom teaching so that the students at distant places may also attend the class in real-time. The Departments/Centers of the university should develop at least one course in a semester as OER in which introductory video, course content on ppt and/or pdf, quizzes, and assignments should be included. It promotes flipped learning also.

All the Departments/Centers of the university offer Value Added Courses (VAC) of 20 credits apart from their discipline-specific courses. The value-added course may be offered by the Department/Center either independently or in collaboration with other Departments/Centers. These courses are offered in a blended mode where anyone having a minimum School leaving certificate obtained after the successful completion of Grade 12 in any discipline can be enrolled. These courses are also available for the students who are pursuing their Bachelor's Degree in CUHP. For this enrolment, the student has to pay the fee, as decided by the University. The modalities of the value-added course are also decided by the University. The students have the option to complete this value-added course within 3 Years from the date of enrolment in the course. After successful completion of the said Value-Added Course, the student will be awarded a Certificate by the University. This certificate may be of 10 credits (for three months) or 20 credits (for six months), which the student has to earn during the stipulated time period. Vocational Courses being offered by one Department/Centre may be considered as Value-Added Courses for the students of other Departments.

Course basket of interdisciplinary major and minor courses of 4/2 credits is prepared at the university level, for which the departments/centres submit a course basket. The course basket is clubbed at the university level. The students have to take at least one course of their choice from this basket. The hybrid learning model (online and/or face-to-face) will be used for these courses. The number of students in all such courses can be a maximum of 40 on the basis of first-come, first-serve. The students are expected to take at least one major/minor interdisciplinary course from other disciplines compulsorily.

For disciplinary major and minor courses of 4/2 credits, the Department/Center offer a course basket from where the students may select the course of their choice. The total courses of any Programme will have the weightage in the range of 50% to 60% for theory and 40% to 50% for practice.

IQAC & NAAC ACCREDITATION AT A GLANCE

The Central University of Himachal Pradesh (CUHP) holds an **A+ grade** (2nd Cycle) with 3.42 score from the National Assessment and Accreditation Council (NAAC). It is the first University of state to get this accomplishment. The NAAC peer team's observations stand as a testament to our unwavering commitment to excellence and continuous improvement in higher education. The NAAC team commended our university for its robust academic programs and innovative teaching methodologies. They recognized our faculty members' dedication to fostering an environment conducive to learning and intellectual growth. University has state-of-the-art infrastructure and world-class facilities noted by the NAAC peer team. They further observed the seamless integration of technology in classrooms, well-equipped laboratories, and extensive library resources that enhance the overall learning experience for our students.

Hon'ble Vice-Chancellor welcomes Chairman NAAC Peer Team

Many researchers in the university are INSPIRE fellows, Kothari fellows, DST fellows, ICMR fellows and ICSSR fellows. University was able to secure 54 individual extramural research projects worth more than nine crores from DST, BRNS, MoES, ISRO, ICSSR, etc. during the last five years. Considering the strong footmarks of the University on research front NAAC team applauded our initiatives to promote interdisciplinary research, collaboration with industry partners, consultancy offered and support for student-led innovation projects.

Prof. Suman Sharma, CoE escorting NAAC team members during the inspection

Library inspection by the NAAC Team

Our comprehensive student support services aimed at nurturing the holistic development of our students was equally acknowledged by the team. University offers career counselling and mentoring support along with extracurricular activities and sports facilities to ensure that each of our students receives the necessary support to thrive academically and personally. We offer numerous opportunities for international exposure through exchange programs, collaborative research projects, and study abroad initiatives. These programs broaden the horizons of our students and faculty, fostering cross-cultural understanding and global perspectives.

NAAC Peer Team sharing the feedback

Although we received the A+ accreditation our hunger to reach among the best institutions is still on higher side. Our efforts to strengthen the student community are consistent. We believe that under the adherence of academic regulations, transparent evaluation processes, and continuous feedback mechanisms to maintain and enhance the quality of education imparted the University will achieve more milestones in the years to come.

RESEARCH & DEVELOPMENT CELL

The National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education system to enhance quality education, research, innovation and technology development.

The main purpose of this Research and Development Cell in the Central University of Himachal Pradesh is to create an organizational structure with role-based functions of RDC, to formulate research policy for the promotion of research in the university, to identify thrust area of research, and to form cluster groups/frontline teams and consortia for the researchers.

The university has already formulated a research policy for the promotion of research and innovation with a focus to take the benefits of the research and development outcomes to stakeholders and public at large.

Vision

To put in place a robust mechanism for developing and strengthening the research ecosystem within HEIs, aligned with the provisions of NEP-2020.

Mission

- To create a conducive environment for enhanced research productivity.
- To encourage collaboration across industry, government, community-based organizations, and agencies at the local, national, and international levels.
- To facilitate greater access to research through mobilization of resources and funding.

Objectives

- To create an organizational structure with role-based functions of RDC, formulate Research Policy for the HEIs, identify thrust areas of research, and form related cluster groups/frontline teams/consortia of researchers.
- To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
- To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
- To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.
- To have better coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
- To develop an Institutional Research Information System for sharing the status of ongoing/completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
- To engage & utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
- To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.

The Research & Development Cell of Central University of Himachal Pradesh will encourage the faculty members and scholars to attend conferences, seminars, workshops, faculty development programmes organized by reputed national and international scientific, academic, research and professional institutions and bodies.

The Cell has created a Centre for Research under which Ph.Ds. programmes are offered. The admissions process is being conducted by the R&D cell in coordination with the office of the Controller of Examinations for all the Departments of the University.

Director, Research & Development Cell: Prof. Bhag Chand Chauhan, Department of Physics & Astronomical Science.

NATIONAL SERVICE SCHEME (NSS)

NSS is a voluntary association and body comprised of young students and volunteers in colleges and universities. The broad ambition of NSS is to provide the much needed services to society without any profit or bias. Its objective is to inculcate concepts of social welfare and to induce the skills of professional social work among students. The major emphasis of NSS as an association is to make out constructive use of community resources and thereby making the members of the community responsible and empowered.

At present six units of Govt. funded National Service Scheme (NSS) has been allocated to the University by state NSS Cell, Department of Youth and Sports, Govt. of Himachal Pradesh with enrolment of one hundred volunteers in each unit. Dr. Malkiat Singh, Associate Professor, Department of Hindi has been appointed Co-ordinator of this program and six other teachers are also appointed as programme officers (One Program Officer for each unit) to fulfil the main objective of this program. Presently around 600 students are enrolled in all six units of NSS. These all units are engaged in regular as well as special camp activities in and around the university, as envisaged under the spirit of the scheme. Enrolment is done/ ensured simultaneously during the month scheduled for general admission.

The volunteers offering their services in NSS strives towards working for the cause for providing help in condition of emergencies such as natural and man-made disasters. The intervention includes the set of activities like supplying of basic necessities and amenities like food and clothing to the disaster victims, organizing blood donation camps, taking activities of environmental conservation for saving Mother Earth, Tree Plantation Drives for the sake of protection of environment, road safety awareness campaigns to sensitize the audience for prevention of road accidents, initiating One Act Plays and street plays.

NSS Special Camps are also organized by the university with an ambition to sensitize the volunteers contributing for the cause of NSS with inculcating the topics ranging from tackling and managing of resources, inducing a much needed sense of Social Responsibility among community members and volunteers, field based learning. All volunteers will learn and empower themselves and thereby make their positive and progressive contributions for the growth of our country.

FIELD WORK AND COMMUNITY OUTREACH

In order to promote social values, skills and sensitivity towards community-related issues among students as well as extending university's outreach to the community, the academic curricula of different programmes of study has inbuilt component of field work and community-oriented activities. The field work activities are to be carried out by the students in the community and villages located nearby to the university campuses. The local habitations and villages act as a community laboratory for the students where they are assigned with specific number of households to interact and work with. The students are required to collect and analyse data, prepare reports, identify intervention strategies and suggest / work with the community towards their socio-cultural, educational and economic development and thus, get enriched with real-life experiences during the course of these community lab-based activities.

School of Tourism, Travel and Hospitality Management has performed various activities under Community Outreach Programme. The details of activities done by the school are given below.

22nd September, 2023 – Under the theme of **Unnat Bharat Abhiyan and Mission** a Heritage Trail was started after the flag off by the Chief Guest along with Dean, HoD and other faculty members of the department. This Heritage Trail has covered various heritage buildings and places like War Memorial, Akashvaani Building, Jodha Mal Sarai, Post Office, Judicial Complex and Hanuman Mandir etc. Students also briefed about the importance of these heritage spots and brief history of the town was also briefed by the students to local communities and tourists.

23rd September, 2023 – For the sustainable development and environment preservation the students and faculty members have done excellent job in which students have planted 100 saplings and constructed herbal garden of the University. Dean, School Prof. Suman Sharma addressed students about tree plantation practices and motivate every student with his knowledge and wisdom.

25th September, 2023 - Department have organized cleanliness drive at lower Barol and Chilgaari. Natural Water Resources (Baawri) was cleaned by the students and gave a great

message to society about the preservation of such natural resources which are degrading day by day.

26th September, 2023 - On day three on the aegis of **Swachhta Pakhwara and Unnat Bharat Abhiyan**, the department also organized cleanliness drive at Kotwali Bazar and near Bus Stand. Students also played a Nukkad Naatak under the theme "Swacch Paryavaran – Swacch Parytan" at Kotwali Bazar and Kacchahri Bus Stop where a large number of local people and students were gathered and the message regarding "Swacch Paryavaran – Swacch Parytan" was given by the students.

27th September, 2023 - On day five district level School Tourism Quiz Competition was held in the department in which 06 schools have participated. This Quiz was based on Tourism Products and Destination Knowledge under the main theme which was **Unnat Bharat Abhiyan**. School Children have participated with great motivation and happiness. In this Competition students were honoured by the certificate along with Cash Prize for obtaining 1st, 2nd and 3rd Position. 1st Prize was Rs. 5,000 and a trophy, 2nd prize was Rs. 3,000 and 3rd Prize was Rs. 2000. EVENT ON VEDIC MATHEMATICS

On the 21st of February 2023, a one-day event on Vedic Mathematics was successfully concluded at the Govt. Senior Secondary School, Gola, Distt. Chamba. This event was arranged by the **Vedic Ganit Mandal** of the **Srinivasa Ramanujan Department of Mathematics at the School of Mathematics, Computing and Information Sciences, CUHP, Shahpur Campus, Shahpur.**

The primary goal of this one-day event was to raise awareness about Vedic Mathematics among the school's students. Students and the community will benefit from the organisation of such activities. The ceremony began at 11:00 a.m., when Mr. Manoj Kumar, Principal Govt. Senior Secondary School Gola greeted all attendees and dignitaries from the Mathematics Department.

He discussed the importance of Vedic Maths in today's world. Dr. Pankaj Kumar, Assistant Professor, Srinivasa Ramanujan Department of Mathematics, CUHP Shahpur, then takes the stage. Dr. Pankaj Kumar told the students in his lecture that we cannot imagine new advancements in mathematics until we have a thorough understanding of our ancient Indian mathematics. He continued by stating that Vedic Mathematics are the roots of ancient Mathematics, and that in order to explore new ideas and innovations in the area of mathematics, both Modern Mathematics and Vedic Mathematics must work together.

Ms. Mandeep Kaur, Mr. Jyoti Prakash Sharma, and Mr. Abhishek Thakur Research Scholars of Srinivasa Ramanujan Department of Mathematics, then handled the event's technical segment. They presented the students an overview of Vedic Sutras, Sulbha Sutras, and performing arithmetic using Vedic methods.

Several approaches, such as EKADHIKENA PURVENA, UDHARVA PRAVARTYA YOJAYET, DUPLEX and others were discussed during this session. In the same continuing session, students practised some fundamental mathematical computations employing Vedic Mathematics techniques. Mr. Anuj Kumar talked about astrology and astronomy's mathematical foundations

More than 100 students were present in the event. Dr. Sachin Srivastava concluded the event by discussing how modern artificial intelligence and mathematics enhances our general personality and critical thinking skills.

In the last, the event was successfully concluded with the vote of thanks.
