Dear All

I am waiting for the data for which HVC has requested all to supply within 15th May 2022, but I am sorry except one or two rest of the departments have not sent the data and leaflets of a seminar organized in the last five years, on remedial classes, mentor-mentee documentation, and inclusion of the name of IQAC in all previous seminar pamphlets.

I request you to supply the pending data within two days as because of this I am unable to move anywhere and I wanted to complete the whole data within this month so that I can submit the SSR soon, it is already delayed.

Kindly treat this email seriously and urgently.

The criteria head especially criteria 1 and 3 are requested to provide complete data soon.

Regards
