

## **Report: Viksit Bharat@2047 Vision**

Department of Journalism & Mass Communication organized a session of panel discussion on the topic Viksit Bharat @ 2047 in the Dhailadhar Prisar -1, Dharamshala in Media Lab at 9:00 Am today on 18<sup>th</sup> December, 2023. Students enthusiastically participated in the discussion and shared their ideas to make India of their dream. They were in Unison for developing world-class infrastructure and quality education for students perusing the higher education. Research Scholar Ankur Kaundal coordinated the event.

The event aimed to engage students in the ambitious vision for Viksit Bharat@2047 and discuss regarding their pivotal role in contributing to this monumental initiative. The students participated with great enthusiasm, demonstrating a profound understanding of the subject matter. Many had already gained insight from the Prime Minister's inaugural speech, providing them with a background and a sense of purpose for the event.

The panel discussion on topic Viksit Bharat@2047 vision event showcased the commitment and enthusiasm of our students. Their insightful ideas, coupled with a strong sense of national pride, promise a bright future for India. As we move forward, the Department of Journalism & Mass Communication is excited about facilitating more events and activities that will harness the collective power of our students towards the realization of this visionary initiative. HoD Dr. Archana Katoch thanked students for taking part in the event and aligning with national aspirations.
