Description:

The Department of Visual Arts, Central University of Himachal Pradesh, Dehra Campus, organized “**Best out of Waste: Utility Material**” competition on 5th June 2023 on the occasion of World Environment Day. The event took place at the Himadri Art Gallery, situated within the premises of the Radha Krishan Community Centre, CUHP. Faculty members Prof. (Dr.) Nirupama Singh, Dr. Ujjwal K., Dr. Ved Prakash Paliwal, Sh. Dinesh Pal, Sh. Manish Kumar and Ramyia Arry were present at event and motivated students to perform well. The Competition aimed to showcase the exceptional artistic talents and creative

expressions of the students, serving as a platform to celebrate World Environment Day, 2023 by using waste material to creating utility objects.

The event commenced at 10:00 PM to 5:00 PM. Students used waste material like Plastic Bottles, Plastic bags, jute, torn clothes, metal and glass etc. to create articles of utility. Along with utility, articles were beautifully decorated and presented. Usable containers, book stand, decorative frame, Ganesha, Environment day

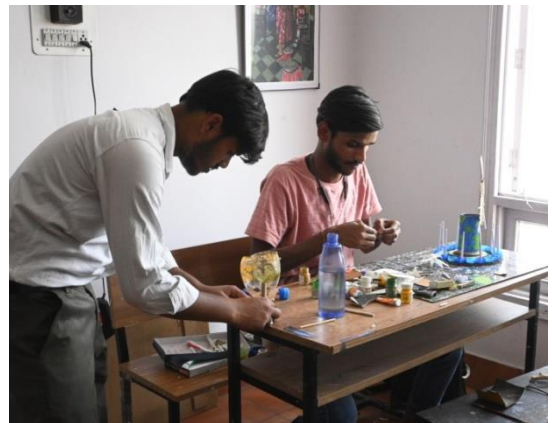

model, cycle as a planter, Rocket, Boat etc were made. The exhibit showcased 35 articles presenting a wide range of artistic expressions and creativity. The Best out of waste articles reflected diverse styles and mediums showcasing the versatility and skill of the students employed on same theme.

Award Distribution Ceremony took place by the end of the event in which students were awarded. Memento Awards were given to the winners. Siddhant Kumar, Rajat Kumar and Swati won 1st, 2ⁿ and 3rd position respectively. Consolation Certificates were given to Jitesh Prasad, Rohit Kumar Patel, Paras, Subhajit Basak and Garima Chaudhary. Other participants were given participation certificate. Total 35 students participated in this competition.

GLIMPSE OF THE ACTIVITY

Outcome: The Best out of waste competition organized by the Department of Visual Arts, Central University of Himachal Pradesh, Dehra Campus, proved to be a success. The event provided a platform for students to showcase their artistic talents and receive recognition for their out of box thinking ability. Such activities promote idea of Recycle, Reuse and Reduce. Students became more aware of waste present in their surrounding and discovering ways to use that waste to create something useful. This practice inculcates the habit of using waste products in an efficient manner. This activity justified the occasion “World Environment Day”. Department's dedication to nurturing and fostering artistic talent, encouraging the students to push their boundaries and explore new avenues of creativity is adorable.
