DATED, THE SHIMLA 06-06-2022

To,

The Vice Chancellor,
Central University of Himachal Pradesh,
PO Box No.21, Dharamashala, District-Kangra, Himachal Pradesh-176215

Subject: Sensitization of Policy Makers and Administrators on Climate Change and its Impact on the Mountain Ecosystem

Sir,

As you are aware Climate Change issues are of global concern, but it poses major challenge to our mountain environment as mountain ecosystem is highly vulnerable and sensitive to the climatic variations. Mountains have special role in showing the effects of climate change. The Himalayan ecosystem has 51 million people who practice hill agriculture and whose vulnerability is expected to increase on account of climate change. The rapid development over the years has also adversely affected the Environment & Ecology of the Himalayan Region as a whole. The Scientists also believe that the rise in temperature coupled with environmental degradation would also result in the rapid depletion of Glaciers, an important reservoir of freshwater available to us.

In order to discuss the issues of environment degradation, Climate Change & Impact on the livelihood of local inhabitants of Himalayan region, the State Centre on Climate Change under the aegis of the HP Council for Science Technology & Environment in collaboration with Divecha Centre for Climate Change (IISC Bangalore) is proposing to hold a *One Day Sensitization for the Policy Makers and Administrators on Climate Change and its Impact on the Mountain Ecosystem* on 30th June 2022 at Hotel Holiday Home, Shimla.

In this context, I, therefore, request you to please make it convenient to attend the workshop along with one Senior Officer from your department at **Hotel Holiday Home** on 30th June 2022 from **10.30AM onwards**. The workshop is likely to be presided over by the Hon'ble Chief Minister or the Chief Secretary, Govt. of Himachal Pradesh. The agenda of the workshop would be circulated at the venue. I would appreciate if you could confirm your participation along with the name of the participating officer through mail on ssrandhawats@gmail.com. In case of any clarification, you may please contact, Dr. S.S.Randhawa, Principal Scientific Officer on (9418382126).

Yours Sincerely,

DEAN

OFFICE ORDER

As a part of Disaster Management activities, fire is a major hazardous and we need to protect our Campus from this hazardous. Since, the fire extinguishers had been installed but the staff needs training to handle these fire extinguishers during an emergency and paved the way for safe evacuation. And this training will be performed every year on 23rd October, to mark the National Disaster Management.

This is issued with the Orders of Hon'ble Vice-Chancellor.
